

Football Match vs Our Lady Of Walsingham (Home)

Tuesday 20th September 2016

Score Lost 2-1

On Tuesday 20th September, we played our first match of the season against Our Lady Of Walsingham. It was a great game; we really should and could have won.

We started the game with confidence and determination. Stephen scored after approximately 12 minutes from just over the half-way line. It was from a free kick which was the result of a foul on Joel just inside the attacking half. What an impressive goal!

Unfortunately, within 5 minutes of the second half, our opponents scored. It was a little disheartening but we kept our heads up and battled on. Their striker dribbled the ball through our defence and scored.

It was looking like a draw when they scored their second goal; the ball bounced unpredictably over our keeper.

We didn't give up. Derry attacked and just missed - hitting the post.

Everyone said we played well. Lucy was voted 'Player Of The Match.'

Well done Lucy and our team.
