

Dear Parents/Carers,

SIAMS Report

OUTSTANDING in all areas! As you know we were recently inspected as a Church school by the Diocese. I am pleased to tell you that the school has been graded outstanding in all areas. For a copy of the report please see the school website. We would like to thank all those parents and pupils who spoke to the inspector and who continue to support the schools Christian character and strive for excellence. A huge thank you and well done to everyone involved. The report is a reflection of the hard work and commitment to your children given by all staff and the level of commitment and support given by the Governors who volunteer and give up so much of their time freely to support the children in many different ways.

Thank you.

360 Online Safety Mark

This week we have been awarded the 360 online safety mark. The award is accredited to Schools that are able to show good practice in their Online Safety policy, education and procedures. We would like to thank our parents, governors and children who spoke with the assessor on Monday.

PFA Summer Fair

The summer fair is being held today from 3.00pm on the KS1 playground.

Calling all Ex - Pupils

We are trying to trace as many ex-pupils as possible to inspire our current pupils by doing a "Where are you Now?" display. We would like any ex - pupils who have achieved their own successes to let us know the year they left St. Oswald's (with a photo if possible) and provide a photo of themselves now in the workforce and what they are doing now. We aim to let our children know there is a huge world out there and many opportunities available to them. Thank you for your help.

Summer Diaries

As always we will be collecting in children's completed summer holiday diaries in September. All diaries entries will be awarded a certificate and prizes for those who have made the most effort. We ask the children complete a daily account of what they have done in a diary format, include pictures or photos or tickets of anywhere they have visited. I look forward to reading them and what they have done over the six weeks holidays.

Summer Reading Challenge

Fliers are coming home with your child today with details of the Summer Reading Challenge.

After School Club

Please note that all after school clubs have now finished. Clubs for the new term will start on Monday 18th September. The information sheet with clubs on offer in Autumn will be sent home on the first newsletter (6th September) when we return to school. Thank you

Dinners from September 2017

Please note that this year there is no price increase and the cost of a child meal will remain at £2.00 per day. Dinner money should be paid on the first day of the week for the week ahead for all children, not in arrears. From Year 3, children have a choice to either stay for a hot meal or bring a packed lunch. If you want your child to change over, we need you to contact the school office and give one week notice to change. The new menu is available to view on our school website at

If your child graduated this year, you will have received a text message containing the website and a separate text message containing the password to be able to access the photograph proofs. If you wish to order, this is done online.
