What do you like most about St. Oswald's school?

Our school priorities for the school year 2018-2019 are:

1. Ensure that more able pupils are challenged and achieve greater depth, particularly those who are eligible for Free School Meals.
2. Ensure all more able pupils are making good progress in Maths at upper KS2.
3. Ensure the curriculum is taught to high standard across all foundation subjects, particularly science.
4. Ensure good attendance of FSM pupils and close the gap between those who are none free school meals and those who are.
5. Develop and promote PSHE to pupils and parents.

Do you think these priorities reflect your expectations of St. Oswald's?
