## Attendance & Punctuality Policy

**'Teach children how they should live and they will remember it all their life.'**  
**Proverbs 22:6**

Through basing our vision on the bible teaching above we will promote an inclusive school community, rooted in mutual respect, understanding and kindness towards others.

***'Life in all its fullness.'***  
**John 10:10**

In living out the statement above our vision is to develop resilience and a love of learning, which will enable the children to achieve their aspiration.

## 1. INTRODUCTION

Regular and punctual school attendance is important. Pupils need to attend school regularly if they are to take full advantage of the educational opportunities available to them by law. (name of school) fully recognises its responsibilities to ensure pupils are in school and on time, therefore, having access to learning for the maximum number of days and hours.

Our Policy applies to all children registered at this school and this Policy is made available on our school website to all parents/carers of pupils who are registered at our school.

The DfE has produced guidance for maintained schools, academies, independent schools, and local authorities: **Working together to improve school attendance.** <https://www.gov.uk/government/publications/working-together-to-improve-school-attendance>

Our Attendance Policy reflects the key principles of that guidance. This policy is written with the above guidance in mind and underpins our school ethos to:

- promote children's welfare and safeguarding
- ensure every pupil has access to the full-time education to which they are entitled
- ensure that pupils succeed whilst at school
- ensure that pupils have access to the widest possible range of opportunities at school and when they leave school

Although parents/carers have the legal responsibility for ensuring their child's good attendance, the Headteacher and Governors at our school are committed to:

- Building strong relationships with families, listen to and understand barriers to attendance and work with families to remove them
- Working closely with other professionals and agencies to ensure that all pupils are encouraged and supported to develop good attendance habits.

**\*Definition of parent: Section 576 of the Education Act 1996** - A parent in relation to any child or young person, includes any person: -

- all natural parents, whether they are married or not.
- who is not a parent but who has parental responsibility for a child; or
- who has care of a child i.e. lives with and looks after the child.

This also includes all parents who are absent. Parental partners can be included whether they are married or the natural parent of the child as they have 'care' of the child. If a pupil lives with a grandparent or older sibling as their main carer, they can also be included as they are the main care provider. It is also important to note that even though a parent may not live in the same home as the pupil, that parent is still responsible for ensuring their child attends school every day.

**At St. Oswald's Church of England Primary, we understand the law requires:**

- Our school to have an admission register and an attendance register.

- Our governors to have regard to the statutory guidance '[Keeping Children Safe in Education](#)'.
- Our School to put in place appropriate safeguarding responses for children who go missing from school.
- Our school to notify the Local Authority (LA) when a pupil's name is to be deleted from the admission register.
- Our school to inform the LA of any pupil who fails to attend school regularly or has been absent without the school's permission for a continuous period of 10 days or more.

## **2. PRINCIPLES OF THE St. Oswald's Church of England Primary ATTENDANCE POLICY**

The Governing Body of St. Oswald's CE places a high priority on achieving standards and feel that excellent pupil attendance and punctuality are essential. They undertake this role by:

- Nominating a named Governor for Attendance.
- Monitoring what strategies, the school has put into place to improve attendance and reduce persistent absence and take appropriate action should attendance levels impact significantly on attainment.
- Regularly review attendance data and help school leaders focus support on the pupils who need it.
- There is a comprehensive report to Governors of targeted groups of pupils, either those who are persistently absent, pupils eligible for pupil premium or SEND. A list of anonymised pupils are reported, with actions put into place to improve attendance, reasons given for absence and impact made.
- Taking an active role in attendance improvement, supporting their school in prioritising attendance and work together with leaders to set whole school cultures.
- Ensuring school staff receive training on attendance.
- Ensuring school leaders fulfil expectations and statutory duties.
- Nominated Governors will also be involved in meeting with parents when an attendance review meeting is organised.

In order for children to achieve their potential, pupils must be highly motivated to learn, be keen and eager to attend school. Regular, punctual attendance will establish good habits that will support them throughout their lives. To achieve this, the Governors and staff are committed to working in partnership with parents to ensure that the school achieves a MINIMUM of 96% attendance throughout the school.

The Government expects us to:

- Promote good attendance and reduce absence, including persistent absence (less than 90%).
- Ensure every pupil has access to a suitable education, to which they are entitled.
- Act early to address patterns of absence.

**This table illustrates the impact of attendance that is 95% or below**

<b>Attendance during one school year</b>	<b>Equals this number of days absent</b>	<b>Which is approximately this many weeks absent</b>	<b>Which means this number of lessons missed</b>
95%	9.5 days	2 weeks	50 lessons
90%	19 days	4 weeks	100 lessons
85%	29 days	6 weeks	150 lessons
80%	38days	8 weeks	200 lessons

### **3. NATIONAL CONTEXT**

The 1996 Education Act, (section 444) states that parents (including non-related adult carers in the child’s household) have a **legal responsibility** to ensure that those of compulsory school age are educated, either by ‘**regular**’ attendance at school or ‘otherwise’. The 2008 Education and Skills Act, (section 155) specifies the same requirement regarding regular attendance at alternative provision.

**The duty on parents is to ensure that their children are educated, either at school or ‘otherwise’. Education is therefore compulsory. In terms of ‘otherwise’, children may be educated by their parents at home, by a private tutor or in establishments other than schools, i.e. – FE colleges from the age of 14, special units, hospitals or in alternative educational programmes or work experience. The law allows parents to choose the alternative options, provided they can demonstrate to the Local Authority that the education is full-time and ‘suitable’ to the child’s education needs, up until the relevant leaving-date for all young people.**

Schools must enter pupils on the admission register and attendance register from the beginning of the first day on which the school has agreed, or been notified, that the pupil will attend the school.

For most pupils, the expected first day of attendance is the first day of the school year. Every amendment made to the admission register and the attendance register must include: the original entry; the amended entry; the reason for the amendment; the date on which the amendment was made; and the name and position of the person who made the amendment.

### **4. DAILY PROCEDURES**

Under the 2006 Education Regulations, the school is **legally** required to register students twice daily. Registers are marked in the morning between 8.45am and 8.55am and in the afternoon between 1.00pm and 1.10pm. It is essential that all students are registered on both occasions.

School starts at 8.45am when all pupils should be in their classroom, in preparation for the register being taken at 8.55am. At this time, they should collect items for the day and make sure that they are aware of any changes / arrangements to the day’s activities. **It is a legal requirement that a register is taken at the start of the day.** Not only does the process allow us to monitor attendance but also to act as a student checklist in respect of health and safety issues – e.g. Fire Drill. Each year a school calendar is put on the school newsletter and is also on the website which

clearly indicates the days when your child is expected to be in school. All school dates are on the school calendar and events are updated regularly on the school newsletter.

## **5. ABSENCE FROM SCHOOL**

**If your child cannot come to school because of illness, you should advise the school on the first day of absence by telephone or using the school messaging system – school spider.**

If no message is received, we will assume that your child is absent without your permission. We will then make every effort to contact you. The school requires two emergency contact numbers. It is essential that the school is kept informed of changes of contact details such as phone numbers and addresses.

The first day response procedures are as follows:

- The class TA will try to call you to find out a reason for absence.
- If contact cannot be made on the first number we will try the second.
- If no contact can be made this will be passed to the PSA (Mrs McNally) who will then attempt further phone calls and then a home visit.

Parents are encouraged to ensure that their child brings in a letter, confirming the reasons for the absence when they return to school if no contact has been made.

**Once contact (verbal and/or written) has been made with the parent the school will determine if the absence is to be authorised or unauthorised.**

The school will only **authorise** a medical absence if the circumstances are unavoidable. The school has the right to request medical evidence if a parent rings the school to confirm the student is unwell. This may include: a medical appointment card with one appointment entered, slip with date, pupils name and surgery stamp, signed by GP Receptionist, letter from a professional, doctor's note, medication prescribed by a doctor, copy of prescription, print screen of medical notes, as well as letters concerning hospital appointments or any other relevant evidence. The Head Teacher may not authorise medical absence without this evidence.

Parents are asked to make routine medical and dental appointments outside school hours wherever possible. Where such appointments in school time are unavoidable, parents should inform the school in advance so a decision can be made whether to authorise the absence or not.

The school **may** authorise absence under certain specific circumstances. However, the parent must contact the Headteacher in advance to secure authorisation. This **may** include work related interviews and meetings with external agencies. The Headteacher **may** also authorise events where students are involved in any supervised sporting events or trials, theatre performances and participation in acts of religious worship.

## **6. CHILDREN WITH A SOCIAL WORKER - FIRST DAY RESPONSE**

If children who have a social worker are absent from school, we will contact the Local Authority. We may request a home visit as part of the first day response. We will also contact the child's social worker and the Virtual School where appropriate.

## 7. PERSISTENT ABSENCE

The school has a responsibility to reduce the number of students whose attendance is below 90% over the school year. **Students with attendance below 90% fall into the 'Persistent Absentee' category.**

- When a student's attendance falls below 96% or punctuality is a concern (at any stage of the year) we will:
- Invite you into school to discuss the situation with our PSA or Headteacher if absences persist
- Create a personalised /support /action plan to address any barriers to attendance
- Set a target with timescales to secure improvement in attendance
- Offer support by sign posting to other agencies or services if appropriate. This may involve undertaking an Early Help Assessment.
- Consider any interventions that have worked previously to bring about improvements in attendance.
- Consider any school age siblings in our school or other schools and work in partnership to deliver a joint approach
- Refer the matter to the Local Authority for relevant sanctions if attendance deteriorates following the above actions
- Consult with our Local Authority point of contact from the School Support Services.

**If parents in our school fail to comply with the support plan and there is no improvement in their child's attendance a referral may be made to the Local Authority requesting legal intervention through the issuing of a penalty notice or the School Attendance Panel.**

## 8. RELUCTANCE TO GO TO SCHOOL

Sometimes students seem anxious about leaving home to go to school. They may tell you that they feel unwell or give another reason to not attend. You may notice that they are worried from things that they say e.g. that they do not want to do any particular subjects, feel that they have no friends or are being bullied. If this is the case, please contact the school as soon as possible to speak to the Parent Support Advisor – Mrs McNally, Mrs Keiley (SENDCO) or Miss Murtagh the Headteacher.

## 9. LEAVE OF ABSENCE IN TERM TIME

The Headteacher may not grant leave of absence during term time unless there are 'exceptional circumstances.' They will also determine the number of school days a child can be away from school if the leave is granted. **From this perspective, leave of absence in term time is no longer a parental right and will only be authorised at the Headteacher's discretion.** Under DFE guidelines the school will notify the Local Authority if a parent/s takes leave of absence **without** the Headteacher's permission. In these cases, the **G code** will be used on the register to show this absence is **unauthorised**.

Under these circumstances, the school will apply to the **Local Authority** for a **Penalty Charge Notice Fine (£60-£120)** to be issued by the Local Authority. The £60 Penalty Charge Notice will need to be paid in full separately by both parents within 21 days and will rise to £120 if paid between 22 and 28 days. If the Penalty Charge Notice is not paid within 28 days, parents can be prosecuted under section

444, the Education Act 1996.

Children attending Sefton schools, including St. Oswald's C of E, are not allowed absence for holidays. Any absence, other than for illness or emergency medical attention, will be coded as Unauthorised, (G) – Family holiday not agreed or (O) Unauthorised absence.

Parents may choose to complete an 'Exceptional Circumstances Form' stating why they are removing their child during term time. This is given to the Head teacher. Only exceptional circumstances will be authorised.

If an 'exceptional circumstance form' is rejected, then the absence; should the parent still proceed with the removal of their child during term time; is dealt with under the Sefton **Council Code of Conduct for issuing a Penalty Charge Notice.**

**It is important for parents / carers to note that the school will not authorise ANY leave of absence unless the school feels the circumstances are unavoidable.**

The school reserves the right to either contact the parents/carers directly or make an immediate referral to social care or the police if the school feels a student is potentially at risk while being taken out of school during term time.

The school will seek advice from the Local Authority if a student fails to return from an extended family holiday during term time and the school have made reasonable enquiries but cannot locate the student or their family. **This applies to leave of absence that are both authorised and unauthorised by the school.** As a result, school will invoke CME procedures. The school may remove the student from roll under such circumstances, in consultation with the Local Authority.

### **UNAUTHORISED ABSENCE FROM SCHOOL**

Unauthorised absence is where a school is not satisfied with the reasons given for the absence. Such circumstances may include:

- A pupil not attending school to go shopping.
- A pupil not attending school as it is their birthday or the birthday of a family member.
- A pupil not attending school as the family have gone to the airport to meet a visiting relative.
- A pupil not attending school due to attending a hospital appointment for another family member.
- A pupil not attending school due to the fact the family returned late in the previous evening from a family holiday.
- A pupil not attending school as they are looking after younger siblings.
- A pupil attends a medical appointment in the morning but then fails to return to school for afternoon lessons.

Our school will always try to bring about an improvement in attendance through a support plan, however, we may request penalty charge notices to address unauthorised absence. A minimum evidential requirement of ten (10) school sessions lost to unauthorised absence by any pupil in the current term **and/or**

eighteen (18) sessions lost to unauthorised absence over two consecutive terms will be required to trigger the process.

The Local Authority will:

- Issue a formal written warning to the parent/carer of the possibility of a penalty notice being issued.
- In the same letter, set a period of 15 school days within which the pupil must have no unauthorised absence.
- Issue a penalty charge notice through the post at the end of the 15-day period if the required level of improvement has not been achieved.

#### **10. LOCAL AUTHORITY SCHOOL ATTENDANCE PANEL 15% unauthorised absence**

Our school may refer pupils who have 15% unauthorised absence to the School Attendance Panel when there has been no improvement in attendance through interventions, we have put into place including an attendance support/action plan/Early Help plan.

#### **What is the purpose of the School Attendance Panel Meeting?**

The purpose of the School Attendance Panel meeting is for you and your child to meet with representatives from the Local Authority to identify the reasons for absence and to work together to improve attendance.

#### **What will happen at the School Attendance Panel Meeting?**

The reasons for absence will be identified and different strategies to improve attendance will be considered:

- A parenting contract will be agreed.
- An attendance target date for improvement will be set.
- The student's attendance will then be closely monitored for a period of 8 school weeks.

If the parent fails to attend without reasonable justification this could result in a Penalty Charge Notice being issued to parents/carers or court proceedings under the 'Single Justice' process. Under section 444, a Penalty Charge Notice will be issued for £60 to parents. This will be issued to both parents even if one of the parents does not live with the student. Each parent will have 21 days to make payment. This will rise to £120 if the initial fine is paid between 22 and 28 days. The payment must be made directly to the Local Authority. There is no right of appeal by parents against the penalty charge notice. Failure to pay the Penalty Charge Notice Fine will result in further legal action being taken by the courts, with the maximum fine currently £2,500 or three months in prison.

#### **What happens next?**

Whilst the intention of the School Attendance Panel meeting is that the attendance will improve, if the attendance deteriorates by the target review date the Local Authority may recommend legal action is taken. This could include a fixed penalty notice being issued, prosecution in the Magistrates' Court, Education Supervision Orders or Parenting Orders.

**Issuing Penalty Charge Notices:** Each parent receives a penalty charge notice for each child who has unauthorised absence. The penalty is £60 or £120 depending on how soon payment is made. So, if there are two parents and two children the total penalties could be up to £480. Failure to pay the penalty charge notices in Sefton may result in prosecution.

**Taking parents to court for unauthorised absence:** Education Act 1996 Section 444(1) - court can fine each parent up to £1000 per child, order payment of prosecution costs and/or impose a Parenting Order.

**Taking parents to court for persistent unauthorised absence:** Education Act 1996 Section 444(1A) - court can fine each parent up to £2,500 per child, order payment of the prosecution costs, impose a Parenting Order and/or sentence you to a period of imprisonment of up to 3 months.

Under the 1989 Children Act the Local Authority has the power to issue an **Education Supervision Order (ESO)** and place a child under their supervision on the grounds that the child is not being 'properly educated' and is in danger of 'significant harm'. The Local Authority can issue an order if the child is persistently absent from school. The Local Authority appointed 'Supervisor' can give 'directions' to the parents on how the child should be educated and work with the parent to ensure the child attends school regularly.

Under the 2003 Anti-Social Behaviour Act, if a student continues to have attendance issues after a parent has been convicted, the courts can also issue a **Parenting Order**. This legally requires the parents to participate in a programme of parenting support and counselling. If the unauthorised absence continues, a new case will be brought against the parent/s but previous parental failure to engage with the school and Local Authority can be cited.

## 11. PUNCTUALITY

As you may be aware, the law treats some persistent lateness in the same way as irregular attendance and parents may be prosecuted by the Local Authority if late arrival is not resolved.

### Poor punctuality can lead to your child:

- Feeling embarrassed in front of their friends.
- Missing the beginning of vital lessons.
- Missing important instructions for the rest of the school day.
- Learning bad habits which could affect their employability in the future.

Minutes late per day during the school year	Equal days' worth of teaching lost in a year
5 minutes	3.4 days
10 minutes	6.9 days
15 minutes	10.3 days
20 minutes	13.8 days
30 minutes	20.7 days

### **Late Procedures:**

Children, who arrive late and have gone to the office entrance, must be signed in by their parent/carer or appropriate adult, a reason for the lateness is also requested.

The admin staff will:

- update the SIMS system with their mark. Adults of EYFS children may be asked to wait with their child until it is convenient for the child to be taken to class.
- Children who frequently arrive late will be monitored; parents will be contacted and a referral to Mrs McNally (PSA) will be considered.
- The Education Welfare Officer, Mrs McNally or Miss Murtagh is to carry out unannounced 'Late Gate' sessions to challenge parents over reasons for poor punctuality.
- Children who arrive late after the registers have closed due to a medical appointment will be marked L

**Any child arriving after 9:30am for any reason other than medical will be marked U (late after registers closed).**

Children who must leave for any reason throughout the day should be signed out at the main office by their parent/carer or appropriate adult. This is strongly discouraged. Parents are requested to make dental or medical appointments outside of school hours.

## **12. ROLES AND RESPONSIBILITIES**

### **IMPROVING ATTENDANCE – WHAT PARENTS CAN DO:**

- Provide two emergency contact numbers to the school.
- Ensure their child attends every day the school is open except when a statutory reason applies.
- Notify the school as soon as possible when their child must be unexpectedly absent (e.g., sickness).
- Only request leave of absence in exceptional circumstances and do so in advance.
- Book any medical appointments around the school day where possible. Obviously, this is not always possible but, in such cases, try to minimise the disruption to the day by getting an early morning appointment so that your child can attend afterwards OR a late afternoon appointment so that he/she can complete most of their timetable before leaving.
- Work with the school and local authority to help them understand their child's barrier to attendance.
- Proactively engage with the support offered to prevent the need for more formal support.
- Proactively engage with the formal support offered – including parenting contract or voluntary early help plan to prevent the need for legal intervention.
- Encourage your child to take responsibility for being on time for school, ensuring they have a realistic bedtime and will not be too tired to get up in the morning for school. Equipment should be prepared the night before. Regularly checking your child's planner can help you to do this.
- Discourage your child from staying overnight with friends during the week. This sometimes leads to them both being late (or not attending at all) the next day.

- Leave of absence during term time is not a parental right. If there are special or exceptional circumstances, please contact the Head teacher and a decision will be made if the absence can be authorised or not.
- Talk positively about going to school.
- Monitor your child's internet and social media use to ensure they are not experiencing any difficulties that may prevent them from wanting to attend school.
- Take any worries seriously but do not show that you are unduly concerned. Believe that they will be sorted out.
- Contact school before the concerns escalate.

### **IMPROVING ATTENDANCE – WHAT SCHOOL DOES:**

- Have a dedicated senior leader with overall responsibility for championing and improving attendance. Mrs McNally – PSA is our designated attendance leader.
- Have a clear school attendance policy on the school website, school shared drive and on staffroom noticeboard which all staff, pupils and parents understand.
- Develop and maintain a whole school culture that promotes the benefits of good attendance.
- Accurately complete admission and attendance registers.
- Have robust daily processes to follow up absence.
- Proactively use data to identify cohorts with, or at risk of, low attendance and develop strategies to support them.
- Work with other schools in the local area and the local authority to share effective practice where there are common barriers to attendance.
- Support for pupils with medical conditions or SEND with poor attendance.
- Maintain the same ambition for attendance and work with pupils and parents to maximise attendance.
- Ensure join up with pastoral support and where required, put in place additional support and adjustments, such as an individual healthcare plan and if applicable, ensuring the provision outlined in the pupil's EHCP is accessed.
- Consider additional support from wider services and external partners, making timely referrals.
- Regularly monitor data for such groups, including at board and governing body meetings and with local authorities.
- Agree a joint approach for all severely absent pupils with the local authority.
- Marks the registers in accordance with the law twice a day.
- Informs any parents/carers who have not contacted the school, of the absence of their child on a particular day.
- Maintains records and monitors attendance of students on a regular basis.
- Authorises absences in accordance with the government guidelines. Please note that only the school can authorise absence.
- Contacts parents / carers when the attendance falls below acceptable levels and/or when patterns of absence are causing concerns.
- Undertake Early Help Assessment where it is deemed appropriate.
- Monitor pupils who are supported by the In Year Fair Access Panel and those who attend alternative provision including Complimentary Education (please add your attendance arrangements for this).
- Proactively use data to identify pupils at risk of poor attendance.

- Work with each identified pupil and their parents to understand and address the reasons for absence, including any in-school barriers to attendance.
- Where out of school barriers are identified, signpost and support access to any required services in the first instance.
- If the issue persists, take an active part in the multi-agency effort with the local authority and other partners. Act as the lead practitioner where all partners agree that the school is the best placed lead service. Where the lead practitioner is outside of the school, continue to work with the local authority and partners.
- Works with external agencies to maintain good attendance and to support the student/family with any issues that may affect attendance and punctuality to school.
- Provides reintegration support for students returning from absence.
- Maintains a range of strategies to encourage good attendance by means of rewards.
- Inform parents of individual pupil's attendance record each term at Parents' Evening.
- Works with relevant external agencies if a students' attendance becomes a concern, i.e. – Social Care, Early Help Services, Police, YOT, SEND.
- Make referrals to the Local Authority School Attendance Panel where pupils' attendance levels are becoming a cause for concern.
- Make referrals to the School Nurse team where appropriate to seek advice to support the pupil.
- Works in partnership with the Local Authority to improve school attendance and reduce persistent absenteeism sometimes utilising legal interventions.
- Campaign as a means of working with parents to resolve issues affecting levels of attendance
- Continued support for pupils at risk of becoming persistently absent and:
- Where absence becomes persistent, put additional targeted support in place to remove any barriers. Where necessary this includes working with partners.
- Where there is a lack of engagement, hold more formal conversations with parents and be clear about the potential need for legal intervention in future.
- Where support is not working, being engaged with or appropriate, work with the local authority on legal intervention.
- Where there are safeguarding concerns, intensify support through statutory children's social care.

### **IMPROVING ATTENDANCE - ROLE OF THE LOCAL AUTHORITY**

- Hold a termly conversation with our school to identify, discuss and signpost or provide access to services for pupils who are persistently or severely absent or at risk of becoming so.
- Identified point of contact for our school who will assist us in signposting families for support including Early Help where appropriate.
- Provide a school attendance panel meeting for our pupils who have 15% unauthorised absence
- Work jointly with our school to provide formal support options including parenting contracts and Education Supervision Orders.

- Where there are safeguarding concerns, ensure joint working between the school, children's social care services and other statutory safeguarding partners.
- Ensure improving school attendance and reducing persistent absence is a priority in all multi agency plans including Child Protection, Child In Need, cared for children (LAC) and Early Help.
- Where support is not working, being engaged with or appropriate, enforce attendance through legal intervention (including prosecution as a last resort).
- Track local attendance data to prioritise support and unblock area wide attendance barriers where they impact numerous schools.
- Work closely with relevant services and partners, for example special educational needs, educational psychologists, and mental health services, to ensure joined up support for families.
- Ensure suitable education, such as alternative provision, is arranged for children of compulsory school age who because of health reasons would not otherwise receive a suitable education.
- Regularly monitor the attendance of children with a social worker by providing a first day response system.
- Attendance to be a priority in personal education plans for looked after children.
- Secure regular attendance of looked after children as their corporate parent and provide advice and guidance about the importance of attendance to those services supporting pupils previously looked after.

### **13. COMMUNICATION WITH PARENTS**

- Give parents details on attendance in our weekly newsletters.
- Report to parents six times a year in half termly assertive mentoring reports on their child's attendance.
- Weekly messages to targeted parents if child's attendance is becoming an issue.
- Letters informing parents of improved attendance.

### **14. REWARDS AND INCENTIVE**

- Celebrate excellent attendance by displaying and reporting individual and class achievements
- Each class is rewarded weekly, half termly, termly and annually for the highest attendance.
- Weekly reward is 'Cuddles' the bear to be in class and £5 class voucher. Vouchers can be saved to buy something for the class throughout the year.
- Classes receive further a £10 voucher for the highest attendance each half term, £20 for the term and £30 for the year. The class decide through discussion and democratic votes what the money is to be spent on.
- Individuals are rewarded for 100% attendance termly and annually through bronze, silver and gold certificates. Those achieving 100% for the year receive a school trip.
- Rewards are also provided for improving attendance through sticker charts, certificates and vouchers.

## **15. SCHOOL ATTENDANCE, SAFEGUARDING AND CHILDREN MISSING EDUCATION**

A child going missing from education is a potential indicator of abuse or neglect. School staff will follow the school's procedures for dealing with children that go missing from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation, and to help prevent the risks of their going missing in future.

### **Notifying the Local Authority**

Our school notify the Local Authority of any pupil/student who fails to attend school regularly after making reasonable enquiries or has been absent without the school's permission for a continuous period of 10 days or more. (Pupil Registration) (England) Regulations 2006 regulation 12.

The school (regardless of designation) must also notify the Local Authority of any pupil/student who is to be deleted from the admission register.

Our school will demonstrate that we have taken reasonable enquiries to ascertain the whereabouts of children that would be considered 'missing'.

**Where a child leaves our school without a destination or another school is not identified our school follow Sefton Council Children Missing Education Procedures and they can be found at [https://www.sefton.gov.uk/schools-learning/attendance-and-welfare/children-missing-education-\(cme\).aspx](https://www.sefton.gov.uk/schools-learning/attendance-and-welfare/children-missing-education-(cme).aspx). The school will liaise with the Children Missing Education Co-ordinator who can be contacted on 0151 935 3181 or [CME@sefton.gov.uk](mailto:CME@sefton.gov.uk)**

## **16. ATTENDANCE DATA**

We use data to monitor, identify and support individual pupils or groups of pupils when their attendance needs to improve. Persistently absent pupils are tracked and monitored carefully. We also combine this with academic tracking as increased absence affects attainment.

The school has a legal duty to publish its absence figures to parents and to promote attendance. We will provide half termly attendance data to parents on an assertive mentoring form along with other information such as punctuality and attitude etc.

Targeted parents will also receive weekly texts informing them of their child's attendance from the beginning of the year, as soon as the child's attendance falls below 96% the parents are targeted for weekly texts.

## **17. ABSENCE CODES**

According to the DfE guidance the following codes are used for authorised absence on the register.

**Code I: Illness**

Schools can request medical evidence from parents/carers if they feel the authenticity of an illness is in doubt.

**Code M: Medical or dental appointments**

Parents / Carers are encouraged to arrange appointments out of school hours, but the school will authorise if confirmation of the appointment is provided.

**Code C: Other circumstances**

This code will be used for any authorised non-medical reasons for a child's absence from school, i.e. – family funeral.

**Code B: Off-site educational activity**

This code should be used when pupils are present at an off-site educational activity that has been approved by the school. Ultimately schools are responsible for the safeguarding and welfare of pupils educated off-site. Therefore, by using code B, schools are certifying that the education is supervised, and measures have been taken to safeguard pupils. This code should not be used for any unsupervised educational activity or where a pupil is at home doing schoolwork. Schools should ensure that they have in place arrangements whereby the provider of the alternative activity notifies the school of any absences by/of individual pupils. The school should record the pupil's absence using the relevant absence code.

**Code D: Dual Registered - at another educational establishment.**

This code will be used if a student is registered at two schools.

**Code J: Interview**

This code will be used when it has been agreed that the student can miss school to attend an interview or entrance exam.

**Code P: Approved sporting activity**

This code will be used in times of approved sporting activities in school times, i.e. – training sessions, trials and sporting events.

**Code R: Religious Observation**

This code is used to cover major religious festivals during term-time. The school will only authorise one day of absence for religious events.

**Code V: Educational visits and trips****Code W: Work Experience**

According to the DFE guidance the following codes are to be used for unauthorised absences on the register:

**Code G: Family holiday not authorised by the school or in excess of agreed period**

If a school does not authorise a leave of absence and the parents still take the child on holiday, or the child is kept away for longer than was agreed, the absence is unauthorised. The regulations do not allow schools to give retrospective approval. If the parents did not apply for the leave of absence in advance the absence must be recorded as unauthorised.

**Code N: Reason for absence not yet provided**

Schools should follow up all unexplained and unexpected absences in a timely manner. Every effort should be made to establish the reason for a pupil's absence.

**Code O: Absent from school without authorisation**

If the school is **not satisfied** with the reason given for absence, they should record it as unauthorised.

**Code U: Arrived late to school after 9.30am**

If a student arrives after 9.30am without any written or verbal confirmation from parents/carers to explain their lateness, the school will mark the pupil with the U code. This means that, although the student is in school, they are marked absent for the entire morning. This will be marked as an authorised absence and could result in prosecution for parents/carers if the pupil is persistently late.

According to the DFE guidance 'If a child of compulsory school age fails to attend regularly at a school at which they are registered or at a place where alternative provision is provided for them, the parents may be guilty of an offence and can be prosecuted by the Local Authority'. In addition, 'Local Authorities have the power to prosecute parents who fail to comply with a school attendance order (section 443 of the Education Act 1996) or fail to ensure their child's regular attendance at a school (section 444 of the Education Act 1996).
