Criteria for admission to St. Oswald's CE Nursery

If demand for places in our nursery exceeds the statutory number of 52, then priority will be given to:-

1. Looked after children and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted (or became subject to a child arrangements order, or special guardianship order). *

* A looked after child is a child who at the time of making an application to a school, is in the care of a local authority or is being provided with accommodation by a local authority in England in the exercise of their social services functions (see definition in section 22(1) of the Children Act 1989). This includes children who were previously looked after but ceased to be so because they became subject to a child arrangements order or special guardianship order. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

2. Children who have a brother or sister at the school at the time they are due to start in September. This includes full, half or step brothers and sisters, adopted and foster brothers and sisters who are living at the same address and who are part of the same family unit.

3. Children with a parent /guardian / carer who *regularly worships at St Oswald's Church. The application must be supported by a letter from the Parish Vicar. **

4. Children with a parent /guardian / carer who *regularly worships at another church in Churches together in Britain and Ireland." **

5. Children living closest to St Oswald's Church of England Primary School (using the methodology of Measurement used by the Local Authority).

**"In the event that during the period specified for attendance at worship the church or, in relation to those of other faiths, relevant place of worship has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or in relation to those of other faiths, relevant place of worship or alternative premises have been available for public worship".
