

Dear Parents/Carers,

Wednesday 11th December 2024

Our School Vision

Through valuing all individuals as children of God we believe in promoting an inclusive school community, rooted in mutual respect, understanding and kindness towards others. As God taught us:

'Teach children how they should live, and they will remember it all their life.' (Proverbs 22:6)

Our school's vision is to nurture a resilient community where the love of learning thrives. We foster an environment where every member feels supported in order to flourish, be empowered to overcome challenges, embrace growth and contribute positively to God's world.

' Life in all its fullness' (John 10:10)

Attendance

Last year we had a huge drive to improve attendance. This is a shared objective in schools across the country and in Sefton, particularly in our cluster of schools in the STRAND group (all local schools.) We will be sharing good practice among our schools and a shared message.

You have 190 days to come to school and 175 to do everything else!

Be in To Win

Last year we introduced Be in to Win which replaced the 100% attendance reward for the year. We appreciate that there were unavoidable absences and that some children were missing out when it was genuinely unavoidable that they were absent.

To ensure that **all** pupils were able to achieve, we reduced the 100% awards to a full month. To this end if they are absent for a genuine reason they will still be able to work towards the next full month to receive the award and a small prize. We hope that this will also build resilience and drive as they will be encouraged that if they haven't made it for this month then it is ok, because they can try again for next month. We feel it is important for children to know that not everything goes well all the time and that is how things go at times, however, there is always a new opportunity and other chances for success.

We hope you have all enjoyed the performances so far, the children certainly have. We have spaces available for the performance tomorrow at 1.30PM. Please call into school if you would like to attend.

Please note that we do not provide a crèche facility. It is unfair to the children performing to allow any babies or young children into the performance as it can be very distracting. Please make arrangements for them to be looked after as they will not be allowed into the performance. For the same reasons, anyone arriving after the performance has begun, will also be refused entry.

A Prayer for our School

*This is our school,
Let peace dwell here,
let peace begin with me.
Let the room be full of contentment
Let love abide here
Love of human kind, love of life itself
And love of God
Let us remember that as many hands build
a house,
Many hearts build a school.
Amen*
