

Print this and give one to your pupils to take home

## Find the spoon

**What you need:** A teaspoon

**People:** 2 or more

**How to play:**

- One person hides the spoon.
- The other person has to find it.
- Time each other and see who can find the spoon in the quickest time.
- Make this easier by saying 'hot' if the person looking for the spoon is close to it and 'cold' if they are moving away from it.

*Play with more people by seeing who can find the spoon first.*
