

Dear P,

Hi I'm N, I am 9, my favourite colour is green. I am writing to tell you about Liverpool my home.

Liverbirds

One landmark in Liverpool is the liverbirds: one is a male and one is female there is a joke that the male (Bertie) looks into the city and the pubs and the female looks into the sea waiting for sailors to arrive her name is Bella. They are on top of the Liver buildings which was the tallest buildings in Europe when it was built and now it is the first thing you will notice when you come to Liverpool the name of the bird is actually a 'comarron bird' but we call them Liverbirds because that is what the creator called them.

Festivals/lambananas

One of our animals is the lambanana, which is a lamb with a tail that is the shape of a banana. we have many festivals like the river of light which has different stations across Liverpool, 12 stations precisely.

FOOTBALL

WE HAVE TWO FOOTBALL TEAMS LIKE LIVERPOOL AND EVERTON both teams are outstanding but I prefer LIVERPOOL MORE THAN EVERTON THEY HAVE BOTH BEEN IN FINALS though Liverpool have been around since 1892. Everton play and train at Goodison park and Liverpool play and train at Anfield.

Ferry

A ferry is a big boat that can carry 450 people and 52 cars there's also a song called ferry across the Mersey which was sung by Gerry and the Pacemakers and wrote by Gerry Marseden the ferry is the best way across the River Mersey

Thank you for reading my letter

Yours faithfully N
