

Grand Cayman, Cayman Island

November 16th, 2022

Dear A,

My name is A and I live in the beautiful Island of the Cayman Island. My island is composed of three islands Grand Cayman, Cayman Brac and little Cayman. In the Cayman Islands people love to go on boat and fish or snaggle. I enjoy swimming how about you? Do you know that we have one of the most beautiful beaches on the world? It is called the Seven Mile Miles Beach.

I enjoy ridden bicycles around my community. Do you like to ride bicycles? It is so much fun. What are some of the fun things you do in your country? Hear we don't have much to do it is a very small place.

I can wait to hear from you! I am so excited knowing that I have a new friend far from home. I hope I will meet you one day. You can come over and I can also visit you.

Your friend,

A
