Grand Cayman

Cayman Islands

Hi

I live in the Cayman Islands. We have many historical buildings one of the most famous ones is call Pedro castle. In Grand Cayman we have so many beaches. My family and I love to go to the beach. Our national dish is turtle stew, and our national plant is the banana orchid.

My country is made up of three beautiful islands Grand Cayman, Little Cayman, and Cayman Brac. I live on Grand Cayman in East End. My Grandfather tells me stories about when he went on sea and cough green turtles and cough. He told me that in March when mangos ripe they used to go the beach and they dipped the mangos in salt water. This is a true Caymanian tradition. I'd like to know what traditions you have.

From your friend.
